

Linda Thompson

We would like to take this opportunity to thank Linda Thompson for her years of dedicated service to the Andre' Bosse Centers. Linda is one of our most treasured volunteers. "She is always willing to help when called upon, no matter what the task might be" stated Executive Director Paul Anders. Linda has been volunteering at the Center for 5 years.

Linda taught preschool and 3rd grade, but gave up teaching to become a stay-at-home mom. While volunteering at her church she was approached to become their Secretary. Linda also has been employed as a travel agent, loving it so much that she and a friend partnered up to start their own business. This may be where Linda and her husband, Paul, acquired their love for travel. Whenever they get the chance they enjoy traveling all around the world.

Linda decided to volunteer for the Andre' Bosse Centers as a result of being selected to be on a jury during a child abuse case. It caused her to want to do something to help children get through this terrible experience. Linda feels that "Whatever I do to help (at the Centers) has a positive affect." She added that she likes being connected to such unique organizations as the Andre' Bosse Centers. Linda brings to the Center computer knowledge, people skills and a drive to help children.

Linda and Paul have shared 52 years together, raised three wonderful daughters and now are enjoying seven exceptional grandchildren. When asked about her family Linda stated "They are the best family ever". In her spare time Linda says, "I love spending time with family, we love to travel and my volunteer work at the Church is important to me. I also love walking and knitting."

The staff and Board Members of the Andre' Bosse Centers would all like to thank Linda for all her efforts and for being such a gracious volunteer.
